OCCUPATIONAL HEALTH AND SAFETY GOALS DEPARTMENT OF CHEMISTRY IPB UNIVERSITY

The Department of Chemistry, IPB University stated that occupational health and safety (OHS) is our priority and we will integrate it with all our activities. Our Safety Goals are stated until 2029 as following:

1. Reducing Accident Rates
 - Zero lost-time accidents and near miss
2. Enhancing Hazard Identification and Control
 - All staff and students trained on hazard identification and risk assessment procedure
 - All hazard identified and mitigated
3. Promoting Health and Well-being
 - Increase in staff participation in wellness programs
 - Reduction in absenteeism due to work-related injuries or illness
4. Environmental Protection
 - Decrease in the amount of waste generated
 - Increase use of environmentally friendly materials and practices
5. Regulatory Compliance
 - 100% compliance with all applicable environmental and safety regulations

Bogor, May 2nd 2024
